*And after the earthquake . . . a sound of sheer silence.  
Then there came a voice . . . that said, "What are you doing here?"*

1 Kings 19:12-13

The scale of the disaster facing Nepal after the April 25 earthquake is becoming clearer. The quake and its aftershocks have left thousands of people dead and thousands more injured. Buildings have been reduced to rubble, and roads, bridges and communication systems have been severely damaged. Its effects have extended to India and other neighboring countries.

Presbyterian Disaster Assistance (PDA) is providing emergency relief and short-term recovery in the impacted areas through our partner ACT Alliance and its members, who are already on the ground. PDA will remain active throughout the entire recovery process, accompanying our partners in the area as they determine long-term program needs and providing financial support for rebuilding and resilience.

**The needs are great. God's people are once again called to stand in the GAP.**

**GIVE. ACT. PRAY.**
